

FUNDACIÓN EMILIO SÁNCHEZ VICARIO

Our Projects - 2011

Scholarships for Economically Disadvantaged Children

Aimed at children from modest households, who desire to play tennis.

Objective: To provide children and teens from lower income families the resources to learn the game of tennis. This initiative aims to develop athletic talent while building individuals up positively through the skills and values that tennis teaches.

Collaborators: To be determined.

Program: Regular tennis training for children. Practice days and schedule will be determined by the age and level of scholarship beneficiary.

Cost: €20,000

The Emilio Sánchez Vicario Foundation is financed through donations, sponsors and collaborations with project-specific partners of the Foundation.
